# Dress Code

## Sixth Form

ROYAL HIGH  
BATH

GDST  
GIRLS' DAY SCHOOL TRUST

The Sixth Form dress code aims to allow students to dress appropriately for a place of work, whilst also giving them the opportunity to express their individuality.

Students are expected to wear 'Business Smart' on Mondays to start the week and attend whole school assembly, as well as on other more formal occasions such as Open Days or Speech Day. On other days they can wear 'Business Casual'.

Business Smart requires students to wear a jacket with a dress, skirt or smart trousers, and shoes or boots (not trainers). For Business Casual, students may not wear overly short skirts, strappy tops, leggings, or jeans; smart trainers may be worn.

Jewellery should also be in keeping with our dress code and suitable for PE. Earrings and a small discreet nose stud are the only acceptable piercings.
